

The background is a light blue color. It features several stylized, hand-drawn elements in a reddish-pink hue. In the top left, there is a large donut with a white frosting swirl and several small white sprinkles. To its right and below, there are several sunglasses with a red frame and white, slanted, parallel lines for lenses. Other partial donuts are visible in the top right and bottom right corners. The overall style is simple and fun, suitable for a children's party invitation.
